

Eligibility Criteria for August Craft Month 2022

By submitting your application you confirm that you meet the standards listed in our eligibility and criteria description below:

- Makers should be professional or semi-professional crafts people living or working in Ireland
- Makers should be working in one of the recognised craft disciplines listed [here](#).
- Demonstrate an in-depth knowledge of the material with which they are working
- Show high levels of skill in the techniques used

In addition, makers will have achieved at least one of the following:

- Makers have been practicing professionally for at least three years, or
- Makers have trained as an apprentice in their craft discipline, or
- Makers hold a degree or equivalent qualification in a relevant area.
